# TRINITY CHRISTIAN SCHOOL

100 Maple Avenue • Keene NH 03431

*Helping students experience all of God's help and blessings through Jesus Christ. John 10:10*

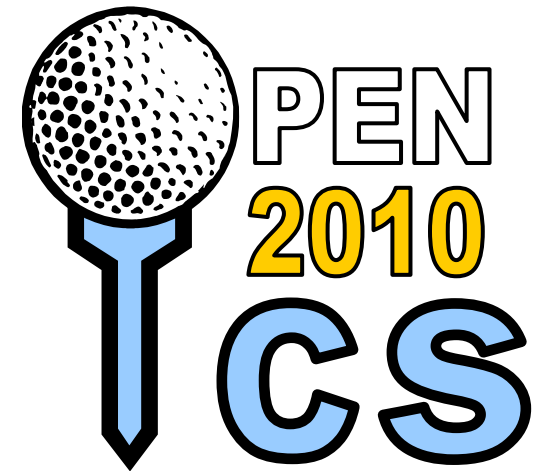

Trinity Christian School has touched the lives of generations of children in the Keene area for well over 50 years. We began with a preschool in 1955, and in the summer of 2000, a new facility was built at 100 Maple Avenue. The expanded Maple Ave facility has allowed Trinity to provide educational opportunities for preschool, as well as Kindergarten through Middle School students. An Extended Care Program is available for TCS parents who need to drop students off early in the morning, or require care for their children after school hours up until 5:30 PM.

Our clean, modern building includes a full sized gymnasium, media center, outdoor playground, and soccer field. TCS offers classes in computer sciences with new, state of the art computers and high-speed internet access for educational research and skill building. Other classes include art and music, language arts with specific introduction to Spanish at the Preschool level, math, science, and social studies. All curriculum is faith focused, and taught by highly trained Christian educators.

Trinity has been blessed with a continued growth in enrollment each year. We give thanks to God for providing our modern facility, the Keene area businesses and families who have supported our Christian education efforts, and the students we've been privileged to educate. Enrollment was at 130 during the 2009-2010 school year, and the proceeds from last year's TCS Open helped provide financial assistance to many of those students. We thank you for your participation in the TCS Open, and would be pleased to give you a personal tour of our school at a mutually convenient time. Please call 603-352-9403 to arrange your tour.
